[Shri Gurudas Das Gupta]

at 4-00 P.M., I found that my room was open. The lock was broken and there was selective theft. Many things could have been taken away. They were not taken away. But some of the files relating to the corruption in public sector and private sector, some of which I have raised in the House, were stolen. The Police have not been able to trace them till now. It was selective theft. This is the situation. I expect the hon. Minister in charge of Home Affairs—There may be more than one Minister and I expect it from the Minister who is present—to tell us what concrete steps have been taken not only to protect the strategic installations and the life of the leading members of the Government, but to protect the lives of the citizens and to allow the citizens to carry on the normal activities in the late hours. I hope there is coordination between all the three Ministers. It is a matter of shame that in the city of Delhi, capital of India, people cannot move out in the way they should. Somebody was speaking about votes. Let me tell you, Mr. Deputy Chairman, that people are going to lose confidence in the Government who rules Delhi because it cannot protect the common life of the common people here. There is going to be an erosion in your popularity. You may take it or you may not take it. It is the writing on the wall.

DR. RAJENDRA KUMARI BAJPAI: We take the challenge.

SHRI GURDAS DAS GUPTA: I hope this lady will have some patience to listen to me. People will lose confidence if the Government cannot protect the lives of its citizens. It is no Government if it cannot protect the lives of its citizens.

MR. DEPUTY CHAIRMAN: The House stands adjourned till 2.30.

The House then adjourned for lunch at three minutes past one of the clock.

The House re-assembled after lunch at thirty-three minutes past two of the clock, **The Vice-Chairman, Shri Pawan Kumar Bansal**, in the Chair
